Aug. 9 To Louisville, Ky.

Arrived at 11 AM but the Kiwanis Club had secured another speaker for their meeting so I had time to help Miss Lucy Furman arrange her exhibit of traps and trapped animals. Two tables, one of steel traps and one of Verball Traps, with posters and pictures and publications for the Future Farmers of America convention tomorrow.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
