PLUS MANY MORE!

[[Image: black & white photograph of the Mormon Tabernacle Choir]]

[[caption: They have lifted their voices in song to the glory of God and country ever since their wagon trains pulled up to the Great Salt Lake in the year 1847]]

...and that once-upon-a-time tiny choir is now recognized as one of the greatest musical forces in America's history... a battalion-size force of 325 glorious voices which, when it raises its voices as one mighty sound, can bring tears to your eyes, goosebumps to your skin, and spirit to your heart.

A Soul-Stirring Treasury

Here are two wonderful collection. The first, Faith Of Our Fathers, contains songs and hymns of praise which the brought westward as they crossed the Great Divide. Here is The Mormon Tabernacle Choir. When people try to tell you that we are on the brink of losing our values in America, our traditions, just play them a few selections from this

stunning treasury. Play them A Mighty Fortress Is Our God, or Rock Of Ages... thrill to the glory of Onward, Christian Soldiers and just feel yourself wanting to march onward indeed!

America In Song

The second collection you receive is called America The Beautiful...from God Bless America, to This Is My Country, the glorious and moving Shenandoah, Home On The Range, Stephen Foster's immortal Beautiful Dreamer, and the most patriotic song ever written, The Battle Hymn Of The Republic. If you have never heard The Mormon Tabernacle Choir, you are in for the treat of a lifetime!

2 Cassettes or 2 CDs

Smithsonian Institution

Smithsonian National Air and Space Museum Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
