[[caption]] Allon Schoener, editor of Harlem on My Mind and exhibition coordinator for the Metropolitan Museum's Harlem exhibition, is Visual Arts Director of the New York State Council on the Arts. He created The Jewish Museum's widely acclaimed Lower East Side exhibition, is the author of Portal to America: The Lower East Side 1870-1925, and produced the New York State Council on the Arts' multi-media

exhibition, Erie Canal 1817-1967, presented on a canal boat that toured New York state communities. Born in Cleveland, trained as an art historian at Yale University and the University of London's Courtauld Institute, he prefers to describe himself as an environmental critic — one who examines how we live and comments on it. ## Smithsonian Institution

*National Museum of African American History and Culture*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
