U.S. WOMEN IN AVIATION THROUGH WORLD WAR I (2)

Extracted on Mar-29-2024 10:38:02

The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the following terms.

- If sharing the material in personal and educational contexts, please cite the Smithsonian National Air and Space Museum Archives as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Smithsonian National Air and Space Museum Archives website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Smithsonian National Air and Space Museum Archives or transcribe@si.edu

For more information on this project and related material, contact the Smithsonian National Air and Space Museum Archives. See this project and other collections in the Smithsonian Transcription Center.

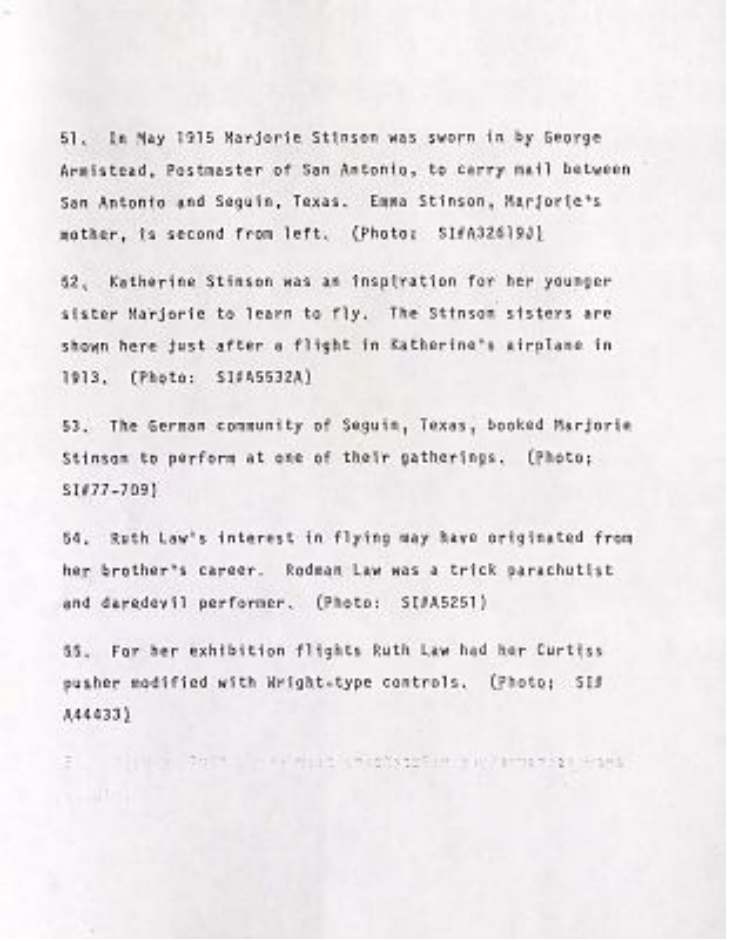

51. In May 1915 Marjorie Stinson was sworn in by George Armistead, Postmaster of San Antonio, to carry mail between San Antonio and Sequin, Texas. Emma Stinson, Marjorie's mother, is second from left. (Photo: SI#A32619J)

52. Katherine Stinson was an inspiration for her younger sister Marjorie to learn to fly. The Stinson sisters are shown here just after a flight in Katherine's airplane in 1913. (Photo: SI#A5532A)

53. The German community of Sequin, Texas, booked Marjorie Stinson to perform at one of their gatherings. (Photo; SI#77-709)

54. Ruth Law's interest in flying may have originated from her brother's career. Rodman Law was a trick parachutist and daredevil performer. (Photo: SI#A5251)

55. For her exhibition flights Ruth Law had her Curtiss pusher modified with Wright-type controls. (Photo; SI#A44433)

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
