Wright aviator, was performing in his Wright biplane, making exhibition flights & carrying passengers. A great deal of the coverage was devoted to the many women who flew as passengers. Mrs. Russell A. Alger, wife of the President of the Michigan Aero Club, was the first woman to make an airplane ride in Michigan. Her fourteen-year-old daughter Josephine, who went up shortly after her mother, was the youngest person in the U.S. ever to fly.

[[crossed-out]] On The new The fourth woman to go up with Coffyn during the meet was [[/crossed-out]]

Since women were involved, the newspaper was unable to resist a short fashion commentary: "Miss (Elizabeth) Loomis was the fourth passenger. There was not a trace of fear in her walk to the machine, only an eagerness to take her turn at flying. She was dressed in white,

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
