A FEW YEARS ago, the Glen H. Curtiss chapter of the Junior N.Y. State Historical Association at Hammondsport Central School compiled the story of Curtiss.

Among the persons they wrote to for information was Mrs. Scott, and she told them about flying in those days:

"Instruction then was very crude. The planes could carry only one person and the best Mr. Curtiss or anyone else could do in the way of instruction was to point out the controls and tell the student how to use them.

"This was done by way of what they called at that time 'grass cutting.' They put a governor on the plane motor so that the plane could not go fast enough to lift off the ground. Then [[?]] student taxied down the field with hands and feet on the controls.

"The plane was then turned around by mechanics and taxied back. Generally, this was kept up about a week or 10 days before the student was allowed to try the air.

"On my third day, taxiing down the field, a gust of air coming down between the hills caught the wings and lifted me up in the air about 10 feet. It seemed like 100 to me.

"Fortunately, I landed all right, and being very young and brash, I immediately demanded that the governor be taken off. Mr. Curtiss con-

against this happening, and Rosenberg was well aware that it could happen - because that's what the law provides."

Mattress Burns

A burning mattress was heaved from a second floor window of the Chesterfield Apartment Hotel, 393 Court St., about 4:10 a.m. today. Acting Battalion Chief Angelo Iati said the mattress caught fire in the room of John Sullivan, 54, who tossed it outside. Iati said a cigarette spark probably started the fire.

7 oz. economy size \$4*

*plus tax

A "good looks" cream for family skin problems! Called Esoterica. Invisible - fast acting, because it carries medication under the skin where these problems start. So effective, Esoterica is now featured by leading stores everywhere. Results guaranteed if your problem is listed below:

Fades Age Spots* on hands

[[image - a hand with "age spots" and a magnifying glass over that]]

* Weathered brown spots on your hands and face tell the world you're getting old, perhaps before you really are. Fade them out with new Esoterica, the new medicated cream that breaks up masses of pigment under the skin to help make it look white, smooth, and young again. Younger folks may use Esoterica to retard age signs indefinitely.

Helps Enlarged Pores

[[image - side profile of a face]]

Often a man's first "old age mark"

Open enlarged pores may cause your complexion to look rough, and unclean. Regular use of escoterica helps shrink the opening to smooth out the recesses. Here's a tip for men: Use Esoterica daily. Leaves skin supple, clean and clear. Its delicate fragrance soon disappears, yet, the beneficial result is long-lasting because Esoterica works under the skin.

Blackheads - Pimples*

[[image - headshot of a woman's face]]

Stubborn* outward pimples and blackheads, caused by weather and neglect, respond fast. Esoterica clears up skin troubles where other creams have failed. No longer need you suffer the embarrassment and loneliness caused by these unsightly blemishes. Apply Esoterica at night - tomorrow, your mirror will start to reveal a clearer, brighter and smoother skin. It's not a cover-up. It penetrates deep to work from inside out.

Smithsonian National Air and Space Museum Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
