Dec, 31st, 1965,

Mr. Glen A. Knabenshur,
5547 Shoup Ave.
Woodland Hills, California

My Dear Mr. Knabenshur:

I was much interested in the article in the News about your father.

In December 1959 I received his autograph for my collection of "Aviation Celebrities". I started my collection in 1924 with Orville Wrights' autograph, now I have 627 autographs, of fliers from twenty seven countries.

I have autographs of fliers of World War I and II, the Korean War also the Vietnam War. Of course the latter two have not be termed Wars, but when American lives are lost in the one thousand names I call them Wars-

Smithsonian National Air and Space Museum Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
