Miceal Angelo's slaves (best unfinished) - because the power of the stone & of man ~~lie side~~ ~~th~~ speak side by side —

Macheavelli's writings & directions "to Princes" are remarkable; savage to us nowadays, but for those days ~~th~~ & for the primitive logic in man today as well - he is a marvelous writer & realist.

In the Uffizzi - ~~Fr~~ Gaiacoma (?) is marvelous, looks prolific, & like Breughel, Boticelli, in a dangerous field

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
