SMITHSONIAN INSTITUTION
WASHINGTON, D.C. Dec. 23 1882.

Prof. G. Brown Goode
Assistant Director U.S. Nat. Mus.

Dear Sir,

In response to the circular of Dec. 13th, 1882, I have to report as follows: In regard to accessions, since my assignment to field service, early in 1880, the records of details have been in the hands of Mr. R. Rathbun who has kindly assumed the duty of reporting on this branch of the subject. His statistics will be forwarded with this document if received in time.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
