The NAVY knows...

Boeing is proud of its navy service record! Boeing-equipped squadrons hold the vertical bombing and gunnery championship, the 1930 Schiff Memorial Trophy for flying without mishap, and other tributes to men and aircraft. Careful buyers recognize, in Boeing commercial models, the stimulus of the Navy's exacting requirements. These are a constant spur to Boeing engineers, whose fighters in Navy Service today outnumber those of all other builders. Boeing Airplane Company, Seattle. Subsidiary of United Aircraft and Transport Corporation.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
