by the fundamental Law of Decency. BE THYSELF...or as the  
Bible? says. "Why be a Piker?" We can all give Business and Industry  
enough with room for everybody...and save the "hogs" from choking on  
their own mothfuls....But..just like a woman??? I digress. To get back to  
AVIATION in general and gliding in particular..and HOW TO LET  
GLIDING LIVE in more particular, don't you see the END serves the  
MEANS in this case?

## Smithsonian Institution

*Smithsonian National Air and Space Museum Archives*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
