Mrs. Hattie Weaver Junkin,
Advance Aircraft Company,
Troy, Ohio,

My Dear Mrs. Junkin:

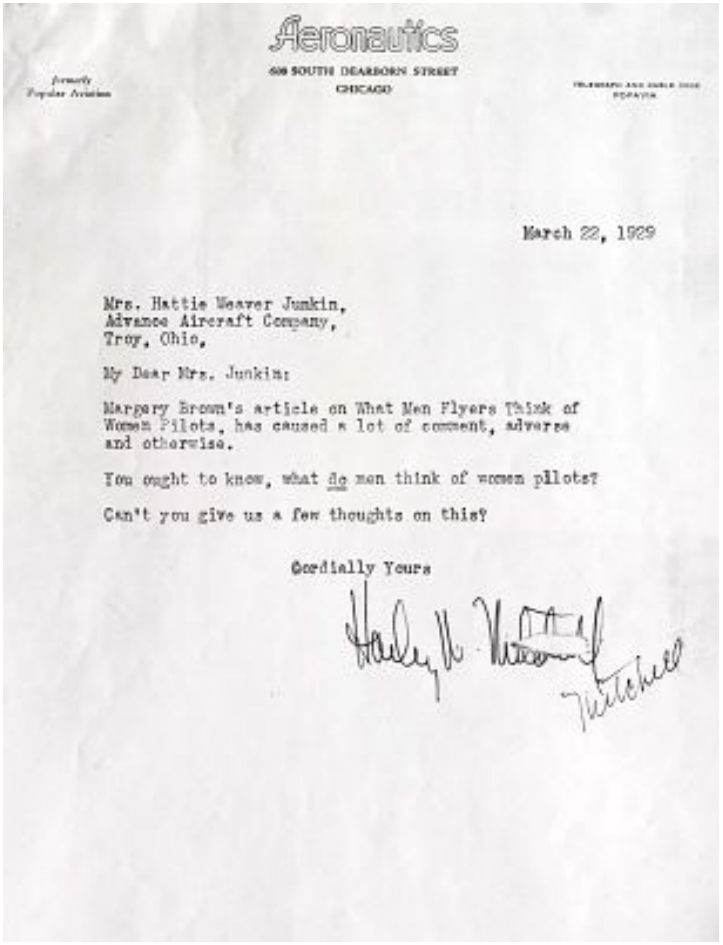

Margery Brown's article on What Men Flyers Think of Women Pilots, has caused a lot of comment, adverse and otherwise.

You ought to know, what do men think of women pilots?

Can't you give us a few thoughts on this?

Cordially Yours

Hailey U. Mitchell

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
