HANGAR-SHY!

It's air hours you pay for - and air hours you get - in a Boeing airplane!
More than 20 million miles have been flown by Boeing mail and passenger planes of United Air Lines alone - a record of consistent, everyday service that speaks for the quality of Boeing construction. Boeing stamina is assurance of longer life - and more hours in the air!... Boeing Airplane Company, Seattle, Subsidiary of United Aircraft and Transport Corporation.

HANGAR-SHY!

It's air hours you pay for — and air hours you get — in a Boeing airplane! More than 20 million miles have been flown by Boeing mail and passenger planes over United Air Lines alone — a record of consistent, everyday service that speaks for the quality of Boeing construction. Boeing stamina is assurance of longer life — and more hours in the air! . . . Boeing Airplane Company, Seattle, Subsidiary Of United Aircraft and Transport Corporation.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
