Forty
Future or Finis

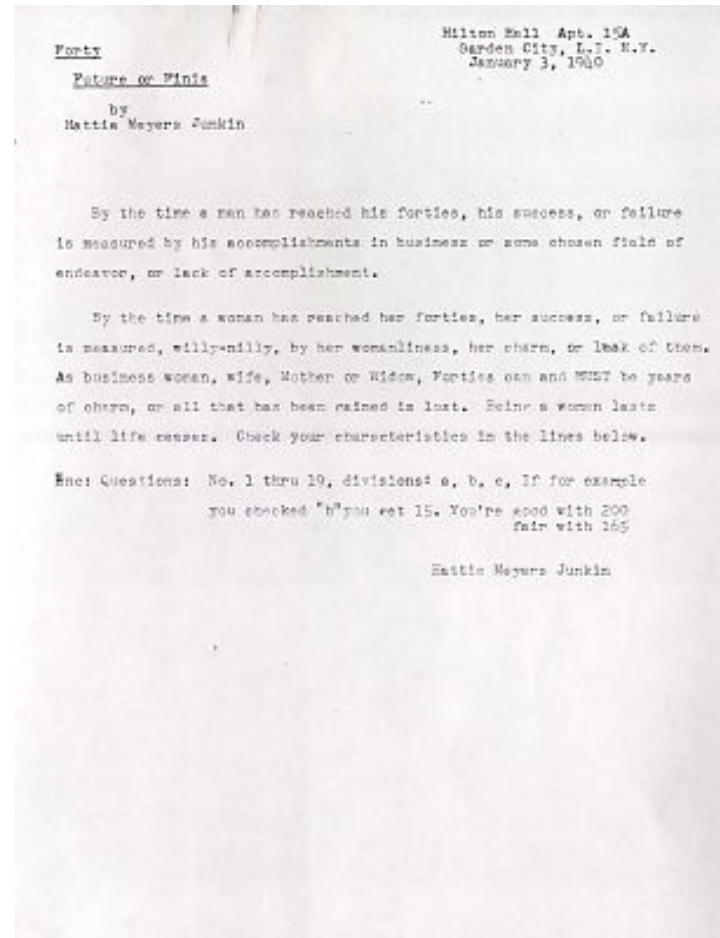

by
Hattie Meyers Junkin

By the time a man has reached his forties, his success, or failure is measured by his accomplishments in business or some chosen field of endeavor, or lack of accomplishment.

By the time a woman has reached her forties, her success, or failure is measured, willy-nilly, by her womanliness, her charm, or lack of them. As business woman, wife, Mother or Widow, Forties can and MUST be years of charm, or all that has been gained is lost. Being a woman lasts until life ceases. Check your characteristics in the lines below.

Enc: Questions: No. 1 thru 19, divisions a, b, c, If for example you checked "b" get 15. You're good with 200
fair with 165

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
