Correction of the minutes of November 29, 1971 meeting.

Minutes Read:

"He mentioned that he had sent a slide of the painting he wanted to reproduce and had received no response one way or the other."

Correction:

"He stated that he sent a slide to Napoleon who offered no plausible excuse for withholding the slide from the membership."

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
