ma again.

Wednesday, Jan 19. 1886.

It was warmer today. I had a lots [[sic]] of fun today. Siussie O. did not come till noon. Maggie Hollingsworth came home with me tonight. We wore Allie Frazier's silk handkerchiefs home. We played "I-spy", after supper, and we would climb up, and look over the transom and see where the thimble was hid, once Maggie fell down. Then we played "Pussy wants a corner", and had fun then. It was real late before we went to bed.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
