W A N T E D

A Negro business partner with \$6,000 capital and a practical knowledge
of agriculture and stock raising to take full charge and live on a 326-acre
improved farm, located 5 miles from the thriving town of Bow Island,
Alberta. Place is level, free from stone, well watered and soil of rich
chocolate loam producing the best cereal and root products i the world.
Coal, \$2 per ton at mine 4 miles distant. Bow Island is the center of the
world's greatest natural gas field. School, one-half mile. Mixed
settlement of Belgian, Scotch, English, Swedish and Canadian farmers.
No race prejudice. Climate modified by winds from the Pacific and
especially adapted to stock raising. Winters are often open. Growing
season April 1st to September 15th. Average rainfall 17 inches. Direct
transportation, facilities east to Ft. William market and west to
Lethbridge and the mining and lumber centers of the rich Crow Nest
Pass. Land in this district bought \$30 per acre at auction in 1910 and is

assessed at \$24, 1914, without improvements. Will accept "clean cut" man of family with above required experience and capital as full partner in ownership of land and invest \$3,000 of the \$6,00 in silos, root cellars, sheds and young hogs, calves, brood mares and poultry, mutually sharing the ownership and profits therefrom. Have 25 acres especially prepared for alfalfa, 100 acres prepared for barley, oats, wheat and root products for general stock food; 200 acres of especially fine meadow pasture. Those without the "goods" will save time and embarrassment. As a recommendation to the right party will say I tackled opportunity in this district eight years ago with pluck and perseverance as my only capital and have witnessed a broad expanse of prairie blossom into an improved farm district while acquiring this estate, ill health and a multitude of discouragements notwithstanding.
