In 1957 — When the Soviet Union launched Sputnik (World's 1st Satellite), it
~~When~~ ~~so shocked us~~ ~~Considered ourselves~~
~~more tech adv~~ ~~Destroyed Shattered our self image~~
that sci & math education — creating generation of sci & eng — became a nat'l priority

->Early 60's,
• Revitalized & revamped Curric
• Created Goal of sending person -> Moon to demonstrate our Tech Prowess
->

When I was growing up, it was cool to be a Scientist or ENG

Kids dreamed of building RKTS to the stars, or discovering life on mars

Need to make sci cool again

~~I was lucky to see AD, but prepared...When I was kids in school are BLDG for the will let them take advantage of opp~~

Smithsonian National Air and Space Museum Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
