Dear girl,

If my memory were capable of its function then you would receive two rolls of films with this letter; but as I could not recall the number of your camera and did not have a picture with me taken by it when I went to the photo supply store, so this is the result. If the rolls of films arrive tomorrow morning then all will be well and I can send you the others right away.

Went up to your aunts this fine morning and unpacked my things. Was surprised to find that they had not unpacked the large case, so all was just as I packed it and in good condition. It pleased me to find all the things I thought were missing which made me happy. It seems strange to me why they passed this case which

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
