Public Correspondence

New York,

contained all of value that I brought with; unless it is that the contents of the other qualified the nature of my imports. Old shoes rags a bottle ets. Now you may get your long promised sketches as I'm bringing them with me to Wurtsboro.

All inquired for you especially Jimmie and his Papina. Isa missa Graace [[Grace]] soon comea back? [[Dissa wint foa how mena weeks?]] ets ets. Ray certainly is a peach. You are fortunate in having her as a friend. Rose is darn nice also.

I almost forgot to tell you that Mr. Lucius came up this afternoon to see your aunt who was not there. He expressed disappointment at not seeing you and asked to be remembered. We came down on the train together and discussed Floss and her work. He thinks that she is wasting her time

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
