Dear Dasburg;

Last night  
when I emerged from the  
modeling room the streets  
were beautiful with a star-  
flaked snow that glistened  
in the lights which shown  
through the falling veil.

When I awoke before dawn  
the foghorn was sounding  
as it did in my childhood,  
(what James calls "the big cow")

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
