no one—

The Whiteheads & Gunthers are in Lovell, but the Schultz's haven't returned yet.

I had a note from Mr Wait - who said he had seen the Times article - & they were so pleased over your honors— Some of your pupils were teaching in their school & they were beaming over the news about you.

I had a letter from Southack & Ball - asking if you would rent Studio 42 from Oct 1- at sixteen hundred a year? Mary wrote the proper business letter in reply for me - saying that I thought you would rent it - but wished they would communicate directly with you - giving your address in Paris—

No letter today - am getting anxious -

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
