My dearest Douglas.

We haven't heard from you since June 8th and you seem pretty far away from us- I expect it takes much longer for letters to come from Belgium-

I have written every other day- the letters ought to get to get to Morgan Harjes by themselves!

It has rained to day- & I have been busy in the kitchen- as Eva was not well- I made a fine strawberry shortcake for dinner. Jerry is painting the Canal- and is trying to get it in shape so Randell can enjoy it

[[margin]]with it- How far it has to travel to reach you & then it only speaks for the days duties here. Our little home affairs- Good night dearest.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
