Dear Mr. Harrington:
I am very glad indeed to have your paper on the Senape, which has come too late however, I [bene?] from the next number of the [Suthrop alqish?] the material for which is all in the [pruitin?] hands. If it is not more disappointing to you than to me, I shall hold it over until the April, June number which I am planning and hoping to publish during May in order to catch up a little better with the calendar. Regarding your Master's thesis, I should like to print that also. When would you like to come in appear, and how

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
