40 East 25th Street,
New York, Nov. 7, 1903.

Dr. Geo. H. Pepper,
American Museum of Natural History,
New York City.

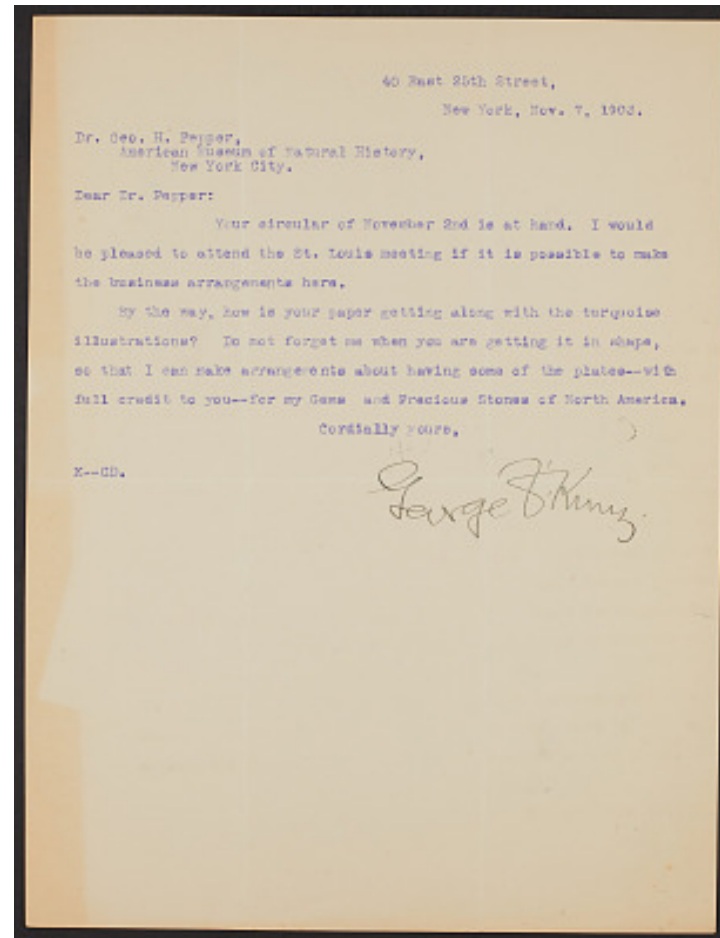

Dear Dr. Pepper:

Your circular of November 2nd is at hand. I would be pleased to attend the St. Louis meeting if it is possible to make the business arrangements here.

By the way, how is your paper getting along with the turquoise illustrations? Do not forget me when you are getting it in shape, so that I can make arrangements about having some of the plates--with full credit to you--for my Gems and Precious Stones of North America.

Cordially yours,
George F. [[signature??]]

K--CD George

National Museum of the American Indian Archives Center

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
