Mr. Pepper. Could you let Mr [[Culin??]] have a [[case??]] of my slides showing [[Monte??]] Pueblo + Navajo. They are grouped but not all in same case + I think one case would carry all. He will return them to over here. Sorry to humble you.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
