George G. Heye.
#115

52 Broadway,
New York.

November 9, 1904.

Mr. George H. Pepper,

C/o Mr. John H. Cobbs,

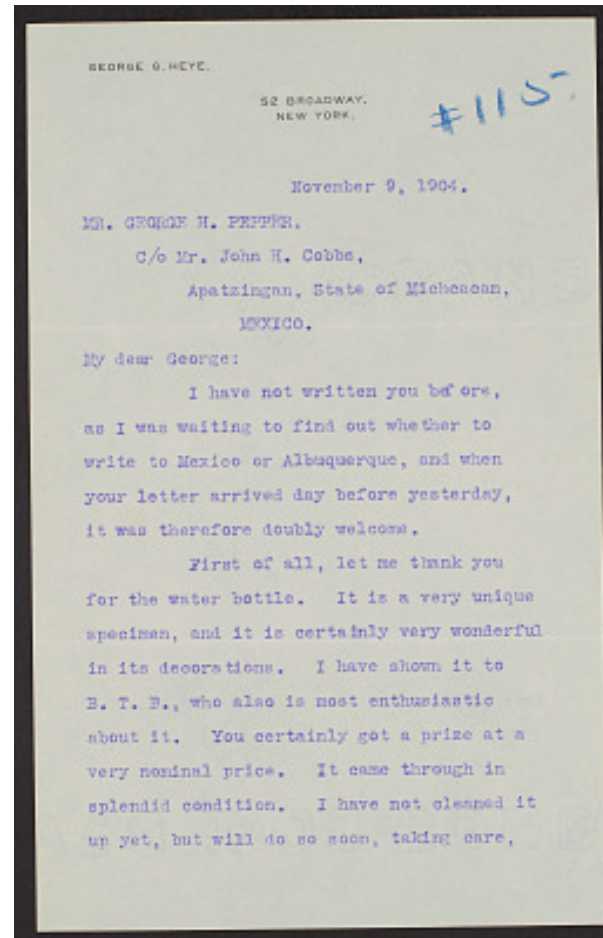

Apatzingan, State of Michacan,

Mexico.

My dear George:

I have not written you before, as I was waiting to find out whether to write to Mexico or Albuquerque, and when your letter arrived day before yesterday, it was therefore doubly welcome.

First of all, let me thank you for the water bottle. It is a very unique specimen, and it is certainly very wonderful in its decorations. I have shown it to B. T. B., who also is most enthusiastic about it. You certainly got a prize at a very nominal price. It came through in splendid condition. I have not cleaned it up yet, but will do so soon, taking care,

National Museum of the American Indian Archives Center

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
