January 21, 1924.

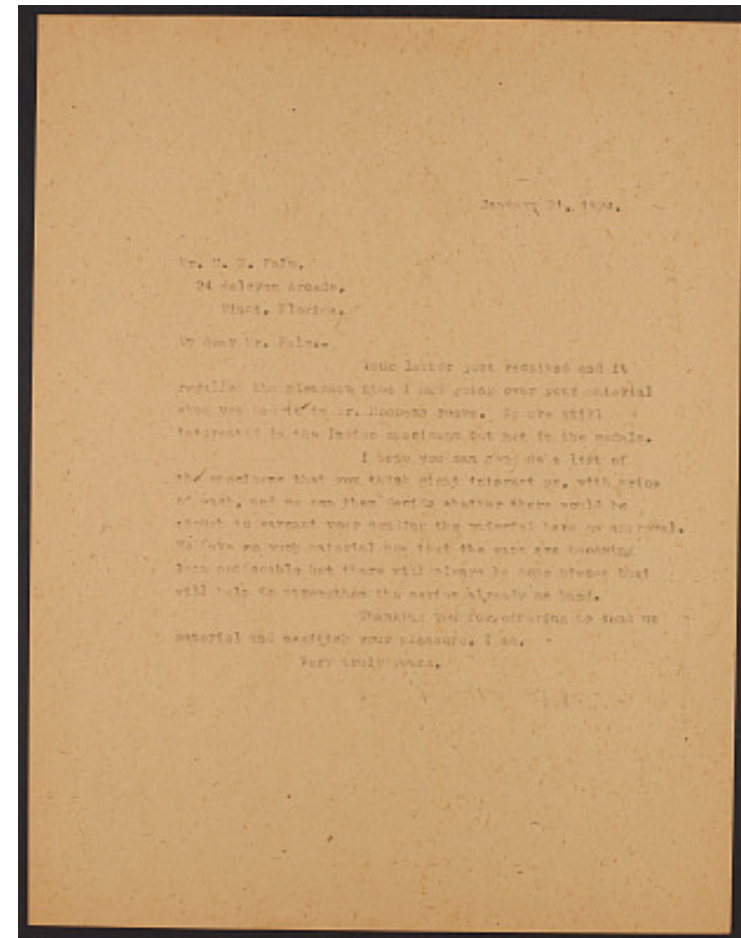

Mr. H. T. Palm,  
24 Helcyon Aroade,  
Miami, Florida.

My dear Mr. Palm:-

Your letter just received and it recalled the pleasant time I had going over your material when you had it in Mr. Hoopers rooms. We are still interested in the Indian specimens but not in the medals.

I hope you can save us a list of the specimens that you think might interest us, with price of each, and we can then decide whether there would be enough to warrant your sending the material here on approval. We have so much material now that the gaps are becoming less noticeable but there will always be some pieces that will help to strengthen the series already on hand.

Thanking you for offering to send us material and awaiting your pleasure, I am,  
Very truly yours,

Museum of the American Indian, Heye Foundation - George Pepper:

## Smithsonian Institution

*National Museum of the American Indian Archives Center*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
