she does. she is no ordinary child to bring up, if she is your chick & grows worse instead of better, good hearted, but spoilt [[spoiled]].

Pa is eating I hear the dishes rattle he likes sugar on bread I try to get him to eat berries but he wont they would be loosening he dont [[don't]] eat sauce of any kind. he is very freaky about his eating wants to eat all by his own self dip in to things with a spoon wont [[won't]] use a knife or a fork, neither will he eat from a plate. I dont [[don't]] see what he is coming to really. sleeps all night sound but scart [[scared]] of the heat when it comes on in the night or morning. but complains when it dont [[don't]] come on in the morning. for the sake of finding fault. he is very quiet on the whole. I want to go down after stamps & some other things but he cant [[can't]] bear to have me gone & locks the door & makes me come in to the back door & goes up stairs meanwhile. well he is easily frightened & cant [[can't]] help it funny how he has changed. The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
