September 25th., 1958.

Dear Mr. Lowry:

Thank you for the opportunity extended through your letter of July 23rd., to nominate three artists for Ford Foundation grants.

I am attaching data relating to my choices of
Paul Zimmerman
James Forsberg
Kahlil Gibran.

My evaluations are probably among the shortest you will receive because I do consider all three as outstanding, serious artists whose abilities are evident in their works.

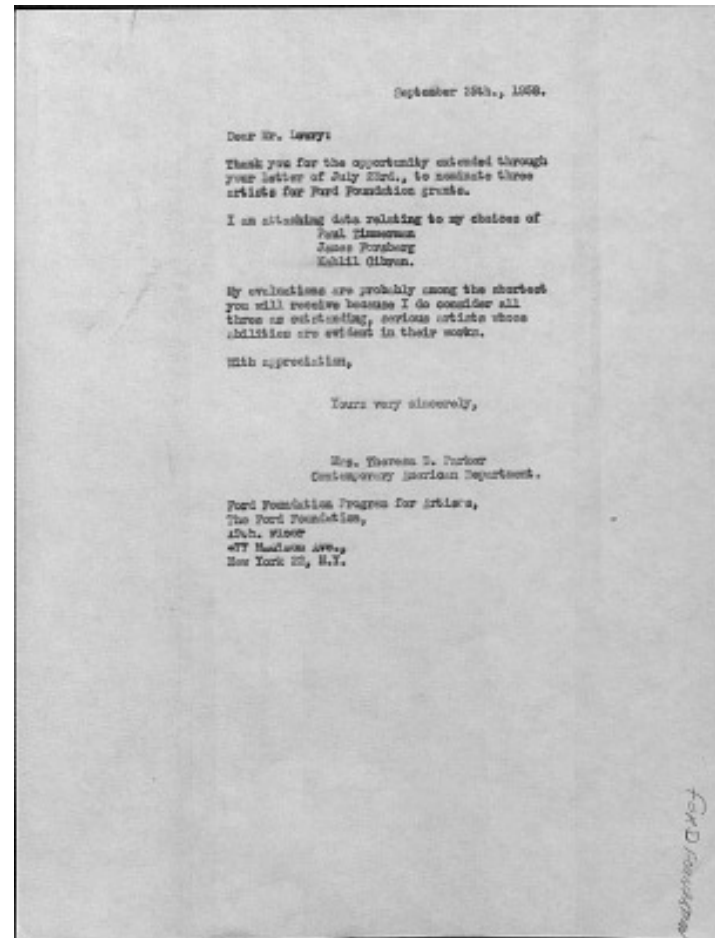

With appreciation,

Yours very sincerely,

Mrs. Theresa D. Parker
Contemporary American Department.

Ford Foundation Program for Artists,

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
