WEBVTT

00:16:59.000 --> 00:17:11.000

<i>Marion Barry- Possibly</i>: We like to think of him as our leader. As such, although we have no leaders, he is our chairman. And he will make the final remarks to the conference: John Lewis.

00:17:11.000 --> 00:17:21.000

[[Clapping]]

00:17:21.000 --> 00:17:28.000

<i>John Lewis</i>: Thank you, Marion, Portland.

00:17:28.000 --> 00:17:35.000

<i>John Lewis</i>: I'd like to suggest a few things to close for this conference.

00:17:35.000 --> 00:17:56.000

<i>John Lewis</i>: Not by any means or to make a speech. Just going to say a few words here and there. Particular there to the southern students and to the people from the deep, deep south.

00:17:56.000 --> 00:18:13.000

<i>John Lewis</i>: Approximately 400 of you have gathered here this weekend to examine a study [[?]] program in the area [[of man in povert?]] retraining and job location-relocation.

00:18:13.000 --> 00:18:45.000

<i>John Lewis</i>: It is my hope that we and all of us have a better knowledge and a better understanding of these programs. I think this conference put up to fight that all of us, wherever we are involved must continue to raise some basic questions and problems that we cannot solve or answer.

00:18:45.000 --> 00:18:56.000

<i>John Lewis</i>: During the march on Washington, I didn't have an opportunity to say something that I was trying to say.

00:18:56.000 --> 00:19:06.000

<i>John Lewis</i>: But since today I don't think we have the archbishop around, a few other people-

00:19:06.000 --> 00:19:11.000

[[Clapping]]

00:19:11.000 --> 00:19:19.170

<i>John Lewis</i>: A few other people who might like to control or pocket the revolution. I think I should feel free to say a few things.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
