TEXACO offers A NATION-WIDE SERVICE

Modern Texaco tank trucks speed the refueling and lubrication of planes at landing fields in every State. Air transport lines covering more than half the total commercial air mileage in the country are users of Texaco Products. Texaco Aviation Gasoline, Texaco Airplane Oils and Texaco Lubricants are available at principal airports everywhere. This service to the field, the quality of Texaco Products and the background of research and experience in furthering the development of commercial flying has given Texaco a wide preference. Write The Texas Company. Ask about Texaco fuels and lubricants, and the Texaco Asphalt Products that pave the runways, the hangar floors and aprons of the country's airports. Make this service your service.
