New York 17, New York

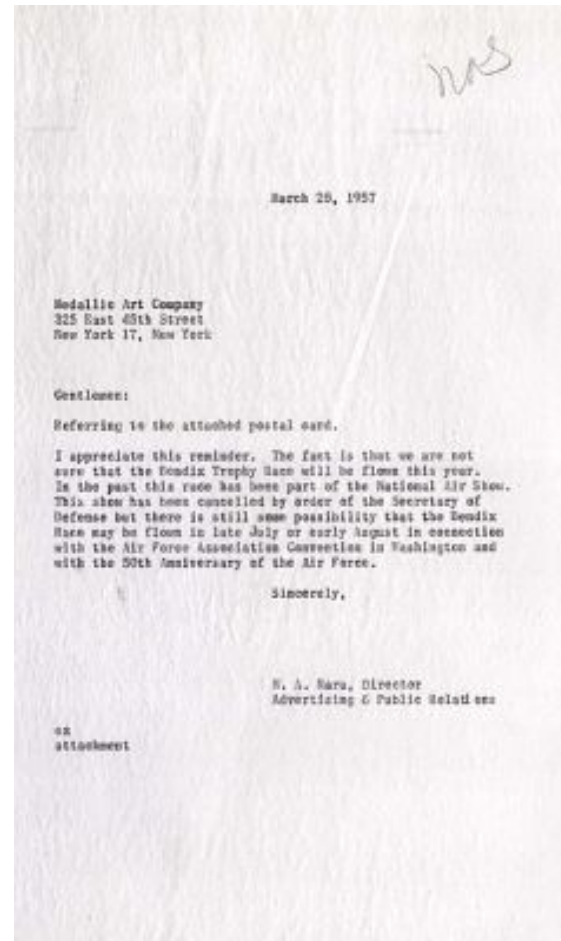

Gentlemen:

Referring to the attached postal card.

I appreciate this reminder. The fact is that we are not sure that the Bendix Trophy Race will be flown this year. In the past this race has been part of the National Air Show. This show has been cancelled by order of the Secretary of Defense but there is still some possibility that the Bendix Race may be flown in late July or early August in connection with the Air Force Association Convention in Washington and with the 50th Anniversary of the Air Force.

Sincerely,  
W.A. Mara, Director  
Advertising & Public Relations

## Smithsonian Institution

*Smithsonian National Air and Space Museum Archives*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
