January 22, 1951

R

Mr. George L. Rihl
Cía Mexicana de Aviación, S. A.
México, D. F.

Dear George:

Unfortunately my phone call to Mr. Key came through before your arrival so I am passing on to you the following:

1 - Key will give you a bill of sale in the amount of four thousand five hundred dollars in exchange for two drafts, one in the amount mentioned, and the other, for sixteen hundred dollars.

2 - The car will be delivered at the Office of our Agents in the Hamilton Hotel, Building, Laredo, Texas, at noon on Thursday, January 25.

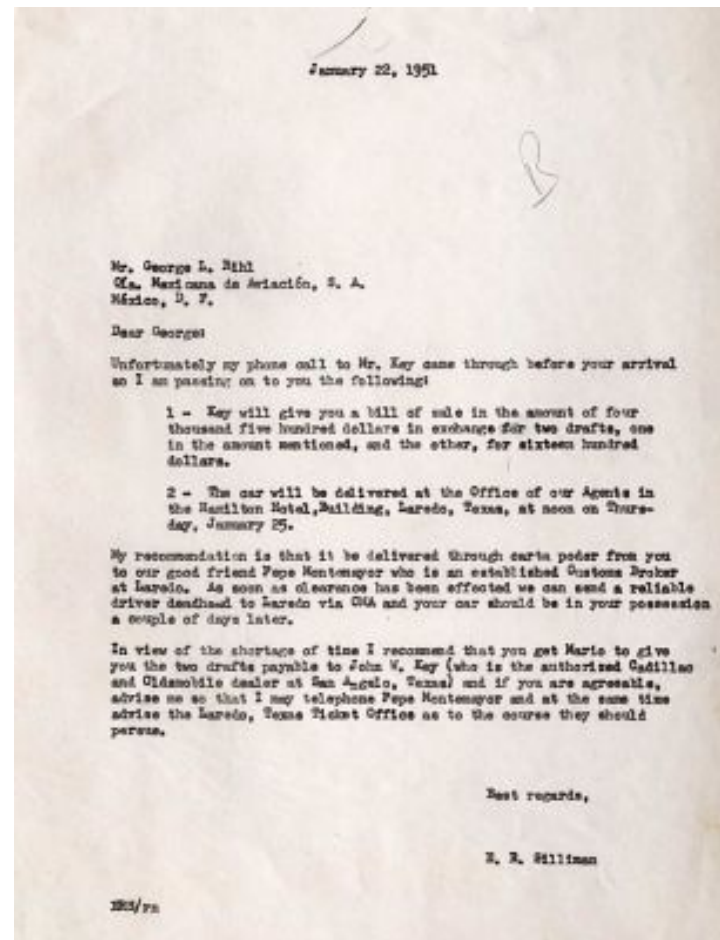

My recommendation is that it be delivered through carta poder from you to our good friend Pepe Montemayor who is an established Customs Broker at Laredo. As soon as clearance has been effected we can send a reliable driver deadhead to Laredo via CMA and your car should be in your possession a couple of days later.

In view of the shortage of time I recommend that you get Mario to give you the two drafts payable to John W. Key (who is the authorized Cadillac and Oldsmobile dealer at San Angelo, Texas) and if you are agreeable, advise me so that I may telephone Pepe Montemayor and at the same time advise the Laredo, Texas Ticket Office as to the course they should pursue [[[pursue]]].

Best regards,

E. R. Silliman

ERS/rn

Smithsonian National Air and Space Museum Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
