To G. Seligman, 5 East 57, New York 22 1 October 1963

FIRM ON APPROVAL YOUR ORDER
DATED 27 Sept. 1963 FROM MY CATALOGUE

(Your early payment will be appreciated. IF a receipt is
required, please return this invoice.)

Dear Sir,

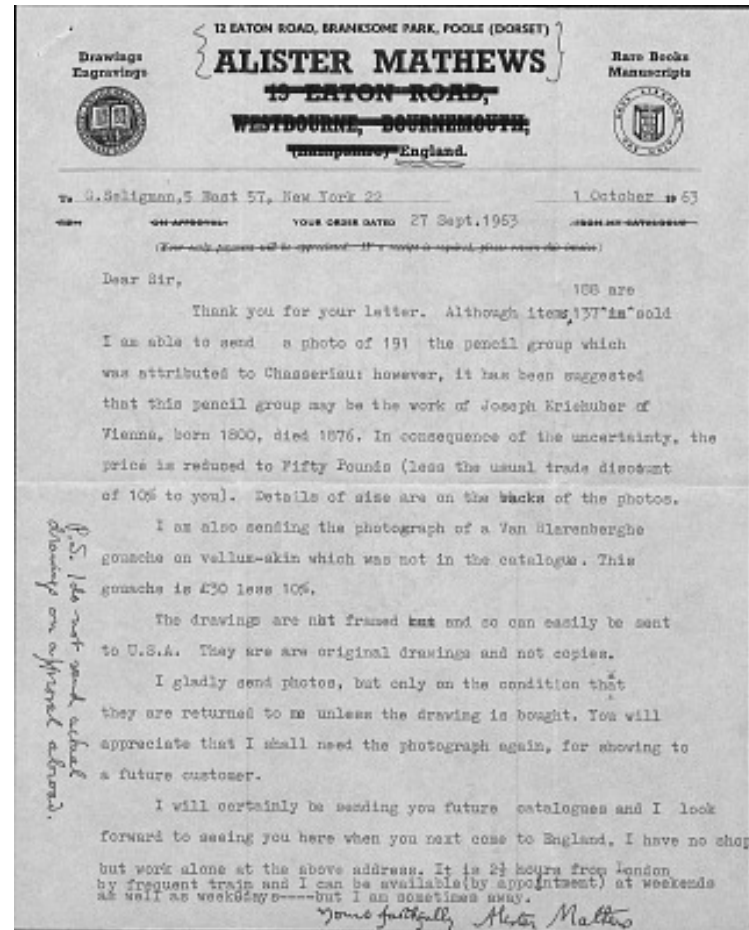

Thank you for your letter Although items 137 and 188 are sold I am able
to send a photo of 191 the pencil group which was attributed to
Chaseriau: however, it has been suggested that this pencil group may
be the work of Joseph Kriehuber of Vienna, born 1800, died 1876. In
consequence of the uncertainty, the price is reduced to Fifty Pounds
(less the usual trade discount of 10% to you). Details of size are on the
backs of the photos.

I am also sending the photograph of a Van Blarenberghe gouache on
vellum-skin which was not in the catalogue. This gouache is £30 less
10%.

The drawings are not framed out and so can easily be sent to U.S.A.
They are are original drawings and not copies.

I gladly send photos, but only on the condition that they are returned to
me unless the drawing is bought. You will appreciate that I shall need
the photograph again, for showing to a future customer.

I will certainly be sending you future catalogues and I look forward to
seeing you here when you next come to England, I have no shop but
work alone at the above address. It is 24 hours from London by frequent
train and I can be available (by appointment) at weekends as well as
weekdays----but I am sometimes away.

Yours faithfully Alister Mathews

P.S. I do not send actual drawing on approval abroad.

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
