MILLS COLLEGE CALIFORNIA

Dear Mr. Levy:

Dr. Neumeyer has handed me your letter in regard to the drawing exhibition. Thank you very much for your very complete description of the drawings which Mills College is to receive.

I note in your letter that you will carry your own insurance the entire time the drawings are out of your possession, and wish to thank you for relieving us of this expense. If possible would you deliver your items to Budworth, since his charge for pick-ups is exorbitant? We have communicated with him in regard to all of the drawings that he may expect from New York and he will be expecting to hear from you.

Sincerely,
