April 3, 1929

Dear Mr. Tannahill,

Just before sailing back to Europe, I thought of sending you this letter to tell you that I hope you will also be coming over during the spring or summer, and that you will not fail to look us up in Paris.

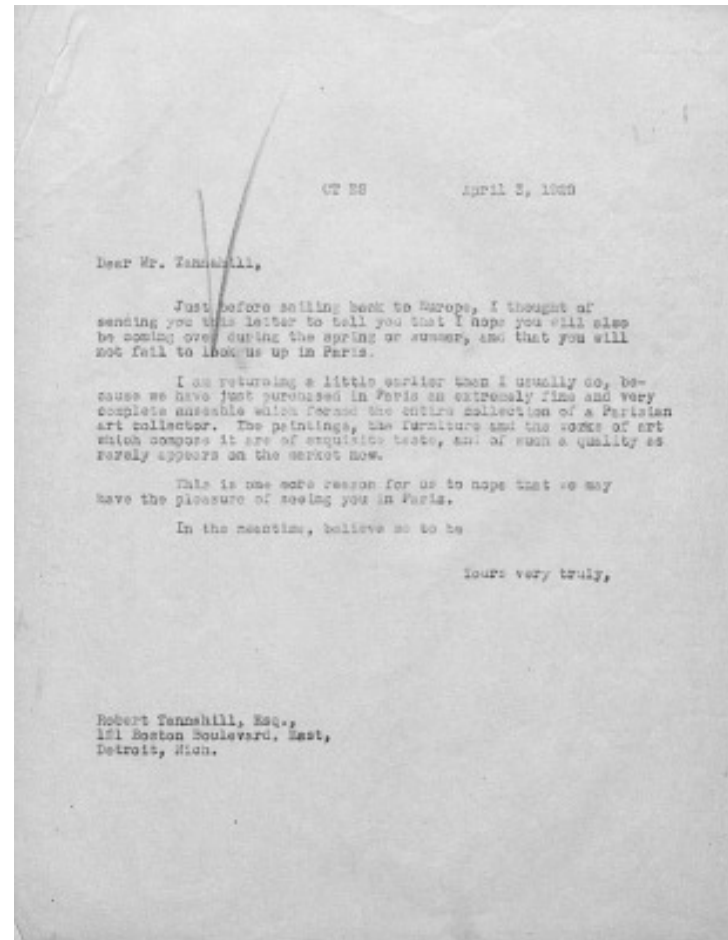

I am returning a little earlier than I usually do, because we have just purchased in Paris an extremely fine and very complete ensemble which formed the entire collection of a Parisian art collector. The painting, the furniture and the works of art which compose it are of exquisite taste, and of such a quality as rarely appears on the market now.

This is one more reason for us to hope that we may have the pleasure of seeing you in Paris

In the meantime, believe me to be

Yours very truly,

Robert Tannahill, Esq.,
121 Boston Boulevard, East,
Detroit, Mich.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
