Tell Jack that Vernieuwe is in full agreement with the necessity of stirring the IATA. He agreed with my speech completely, which incidentally, went very well. A lot of questions and complementary remarks especially from the President of KLM and the President of Iberia. It was a much more successful meeting than I had foreseen.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
