The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the Freedmen's Bureau as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Freedmen's Bureau website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Freedmen's Bureau or transcribe@si.edu

For more information on this project and related material, contact the Freedmen's Bureau. [See this project](#) and other collections in the Smithsonian Transcription Center.

Exhibit "B." (Copy)

This Agreement, entered into this day of January A.D 1866, by and between Henry M. Waldrom of the first Part, and certain Freedmen whose names are signed to this Agreement of the Second Part Witnesseth - That whereas the said Party of the First Part, and the said Parties of the Second Part have this day entered into a contract to work a certain Plantation in Greene County, Ala, known as the Cole Plantation for one year. To wit the year 1866, and to make thereon a crop of cotton and corn, and other ordinary crops usually raised on Plantations in Green County - In furtherance of said contract, therefore, The Said Party of the First Part agrees and binds himself to furnish land at Two Dollars per acre, to provide for said Parties of the Second Part good and sufficient food, and the usual quantity and kind of clothing furnished to laborers in Greene County, and to procure for them, when sick, the necessary medical attention and medicines. To provide the necessary mules & horses and oxen, Tools, corn and fodder, cotton seed, and other supplies needed in working said crop for the year as aforesaid 1866. The said Parties of the Second Part agree and bind themselves to work on said Plantation for the year 1866, as laborers, and to do all work usually required of laborers on a cotton Plantation honestly and faithfully, to submit themselves to all reasonable rules and regulations established

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
