THE COMMANDANT OF THE UNITED STATES COAST GUARD
WASHINGTON
8 November 1934

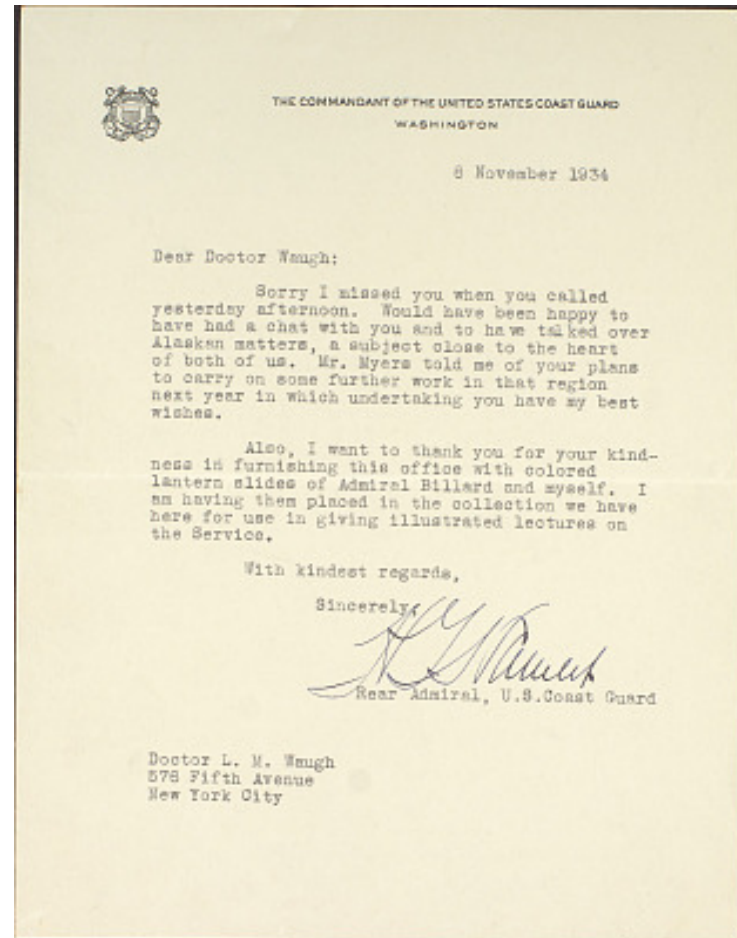

Dear Doctor Waugh:

Sorry I missed you when you called yesterday afternoon. Would have been happy to have had a chat with you and to have talked over Alaskan matters, a subject close to the heart of both of us. Mr. Myers told me of your plans to carry on some further work in that region next year in which undertaking you have my best wishes.

Also, I want to thank you for your kindness in furnishing this office with colored lantern slides of Admiral Billard and myself. I am having them placed in the collection we have here for use in giving illustrated lectures on the Service.

With kindest regards,
Sincerely,
H G Hamlet
Rear Admiral, U.S. Coast Guard

Doctor L.M. Waugh
576 Fifth Avenue
New York City

National Museum of the American Indian Archives Center

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
