Lancôme, Paris now brings to matte, the freshness of light.

MAQUIMAT
ULTRA NATUREL
[---]
NATURALLY MATTE FOUNDATION

A new matte radiance...Now with light-diffusing micropigments, Lancôme is able to achieve a naturally radiant matte finish. In an oil-absorbing formula that is fragrance-free, protects from sun and free radicals. And assures your ideal shade with Lancôme's global colour range.

An exceptional lightness...Like no other matte makeup, it slips on with an ultra-light precision, smoothes skin of flaws, frees it of shine...then virtually disappears, leaving the perception of natural radiance behind.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
