June 15th

Circular
No 7

The attention of Sub-District Officers is called to Circular No 3 dated Hd. Qrs As't Comr &c May 4 1866. By said date all Assistant Superintendents are required to forward to the As't Comr of the State on the 1st and 15th of each month a Report of the Sanitary Condition of the Freedmen in their reported Districts. These reports are to be after a thorough inspection of the camps and here of all dependent Freedmen, [[?]] sending, and should be forwarded through their Head Quarters. Attention is required to the Orders and Circulars previously issued, as I can see no necessity of being obliged to issue supplementary orders calling attention of Officers to orders now in their possession

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
