Thanks a lot for your response. I will think about the space available and get back to you. The dimensions you mention though seem more than feasible.

The opening of the exhibition is on the evening of Friday 23 September. The exhibition runs until 19 November.

I can't remember if I already mentioned it, but it looks like the exhibition will tour to Whitechapel Gallery, London in early 2013. Would be great to present it there also.

All the best,

Nav

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
