IMPLICATIONS
artistic

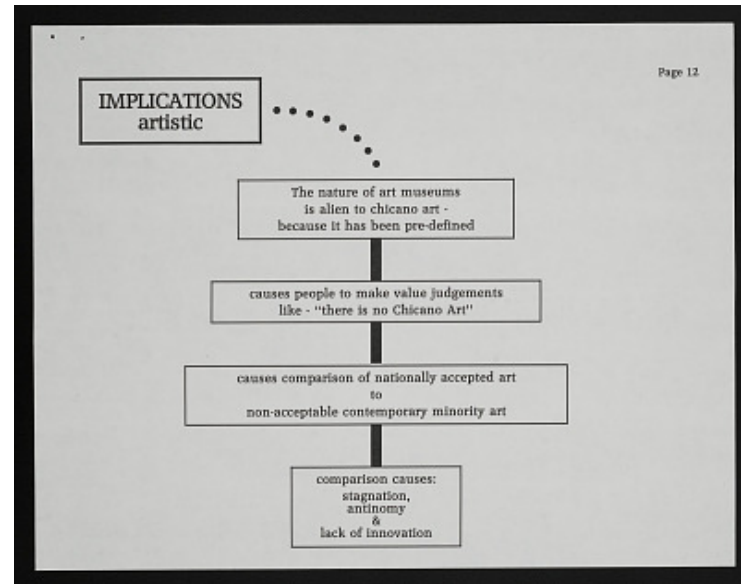

page 12

The nature of art museums is alien to chicano art - because it has been pre-defined

causes people to make value judgements like - "there is no Chicano Art"

causes comparison of nationally accepted art to non-acceptable contemporary minority art

comparison causes:
stagnation
antimony
&
lack of innovation

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
