Artist for Victory ex. to  
London

Dear Mr. Arms

When I spoke to Mr Kroll last week concerning the London Exhibition, he told me that he would communicate with you and that I might then expect to hear directly from you.

As you realized, this sort of thing is difficult and embarrassing for me, but nevertheless I feel that there should be some clarification as to why I was invited to send a print rather than a painting.

I should like to support this exhibition by my personal participation because I believe whole-heartedly in cultural interchanges between the nations. I

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
