Birmingham, MI ~~48011~~ 48009

Dear Suzanne:

Enclosed please find a selection of paintings and works on paper which would be available for you to show. Let me know scale-wise what will work. Of the drawings, EM 540, EM542, and another related drawing (slide to follow next week) could be lovely together. A slide of My Own Eyes is coming next week as well. It is in the process of being duped.

I have a Museum reserve on the drawing Wave Goodbye and will know more by November 10th. We would like to sell it to you if they do not purchase it.

Best,

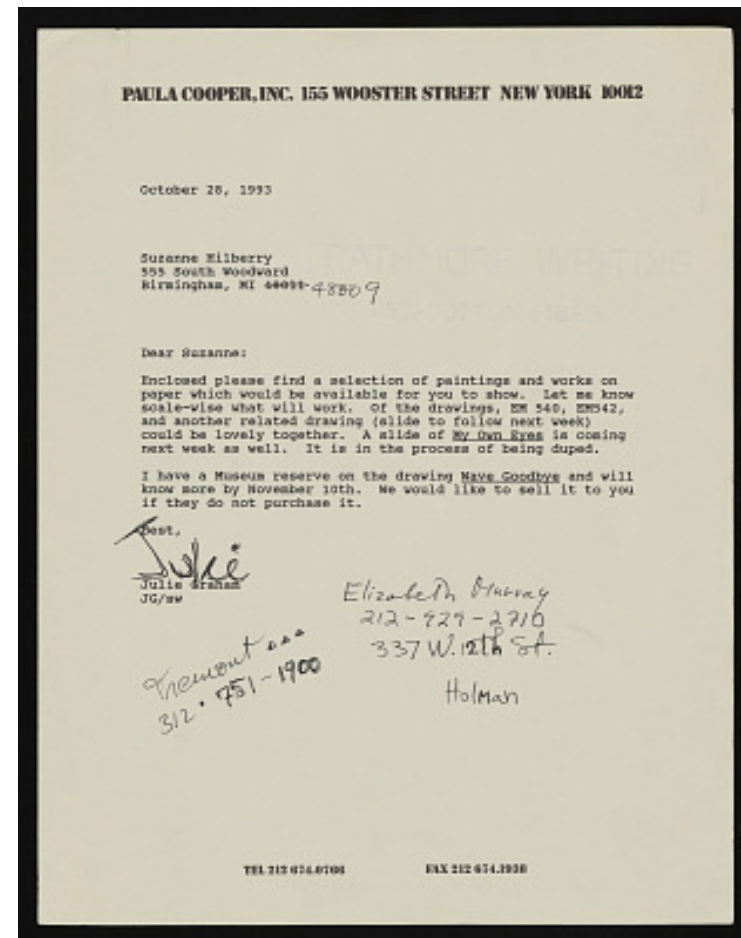

Julie

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
