February 5th 1987

Dr. Barbara L. Carter
Acting President
350 Spelman Lane SW
Atlanta, Georgia 30314-4399

Dear Dr. Carter:

This is in reply to your letter of January 26th 1987, informing me that the faculty and trustees of Spelman College have voted unanimously to award me the Honorary Doctorate of Humane Letters. I am highly honored and will accept this degree that shall always be valued and treasured.

Gwen and I are looking forward to our visit to Spelman College on May 16th for the dinner and on May 17th for the Commencement exercises.

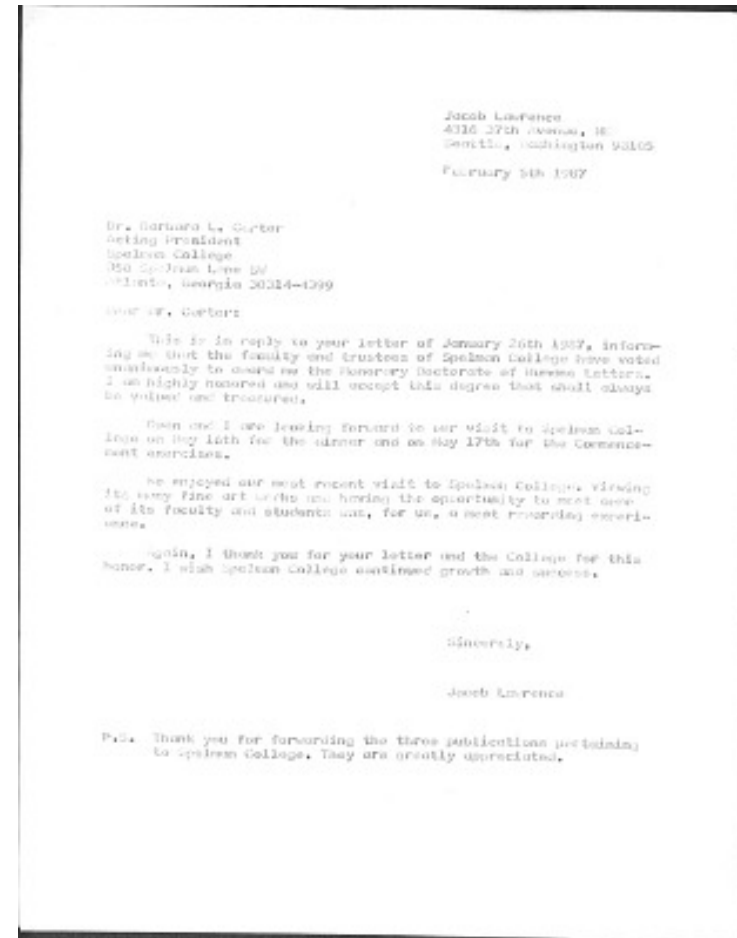

We enjoyed our most recent visit to Spelman College, viewing its many fine art works and having the opportunity to meet some of its faculty and students was, for us, a most rewarding experience.

Again, I thank you for your letter and the College for this honor. I wish Spelman College continued growth and success.

Sincerely,

Jacob Lawrence

P.S. Thank you for forwarding the three publications pertaining to Spelman College. They are greatly appreciated.

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
