Dear E.M.C;

Dropped in here and found a very appreciative burst of applause from V.W's office, - "It's good! - really third-dimensional!" As I read it, had to admit that I really never knew the guy, so how could I judge it?

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
