I finally decided you must have picked my pockets when B.A. was working on me,- how else could you get so much from so little? Anyway, I cant help any now - you'n-Vic will have to decide what to do about it.

Really am very grateful to you for all you have done and are doing (and may live to do).

Be seein'-you, before long I hope

LIFE is still undecided about me; dammmum, lewhine

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
