ideas yet. The Guggenheim applications are not due for a couple-months and do not begin until next MAY.

Again, thank0you, m'Lady ,- until you're better paid.

P.S.

Black Star gets 50% of what they get from prints they sell,- so far not any. They worked on one of the upper-ups at LIFE but got tired waiting and took the stuff to U.S.Camera. Any special contacts you or I make by yourselves have nothing to do with B.S.

Survey advanced me \$50 on work to be done a bit later. Whattalife. It has been like this much of the time since I gave Felix the cold shoulder,- maybe it's a "Judgment" as the church folks used to tell us. Anyway, I dread to think what we would have happened if I had stayed with that E.C.S. gang,- to my ME.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
